Summer Fundraiser Corporate Donor Prospectus

This summer, join us in creating a brighter future. On July 21, Life Preservers Project, a nonprofit organization dedicated to raising awareness about human trafficking and supporting survivors, invites you to an out-of-this-world evening of community, collaboration, and giving back.

Cohosted by the New York Metro Chapters of ACEDS and Women in eDiscovery, this galaxy-themed fundraiser will bring together professionals from across the legal technology and eDiscovery communities in support of a shared mission. Guests will enjoy exciting raffle prizes, meaningful connections, and a silent art auction featuring works that help shine a light on hope, resilience, and change.

Why Become a Corporate Donor?

Supporting this summer fundraiser as a corporate sponsor is a powerful opportunity to demonstrate your organization's commitment to creating meaningful change.

With your support, Life Preservers Project hopes to award one or two \$10,000 microgrants this summer to direct-service organizations supporting local victims and survivors of human trafficking. Your contribution also advances awareness, education, survivor-centered initiatives, and creative opportunities for those impacted by exploitation—while amplifying this mission throughout the legal technology and eDiscovery communities.

Join Life Preservers Project, ACEDS, and Women in eDiscovery as a corporate sponsor and help us make an out-of-this-world evening an unforgettable force for good.
